

| 8th GeoIT Wherecamp Conference 2018 - Agenda | | | | |
|---|-------|--|---------------------------|---|
| | 09:00 | Doors Open | | |
| 1 | 10:00 | Opening by GeoIT.org President | Prof. Dr. Roland Wagner | Association for Geoinformatics, GeoIT and Navigation e.V. |
| 2 | 10:15 | Welcome by Host | Prof. Dr. Martin Kada | IGG TU Berlin |
| | | Session Chair | Dr. Peter Ruppel | T-Labs, TU |
| 3 | 10:30 | From ABC to XYZ: location data for non-location developers | Oliver Fink | HERE Technologies |
| 4 | 10:50 | Agriculture and GeoIT | Carl-Philipp Federolf | YARA GmbH & Co. KG |
| 5 | 11:10 | Machine Learning for Transport Modelling: the Next Generation of Transport Models | Benno Bock | civity Management Consultants |
| | 11:30 | Coffee Morning Break | | |
| | | Session Chair | Dr. Richard Süselbeck | HERE, GeoIT.org Treasurer |
| 6 | 12:00 | enviroCar – a Citizen Science platform for Sustainable Traffic | Prof. Dr. Albert Remke | 52°North Initiative for Geospatial Open Source Software |
| 7 | 12:20 | GeoAI: feature extraction and classification | Peter Rose | Orbica Ltd |
| 8 | 12:40 | Localization Service Using Sparse Visual Information Based on Recent Augmented Reality Platforms | Javier Rodriguez Puigvert | Cologne Intelligence GmbH |
| | 13:00 | Lunch Break | | |
| | 13:30 | | | |
| | | Session Chair | Cornelius Rabsch | BeaconInside GmbH |
| 9 | 14:00 | Progress in indoor navigation | Emrah Kutlu | MENTZ GmbH |
| 10 | 14:20 | Navigation for Blind or Visually Impaired | Sarper Silaoglu | Boni Global |
| 11 | 14:40 | Geocode - An intuitive geo location code | Ervin Ruci | Geolytica inc |
| 12 | 15:00 | Outdoor meets Indoor at Numbered Gateways | Prof. Dr. Roland Wagner | Beuth Hochschule für Technik Berlin |
| | 15:20 | Break | | |
| | | Session Chair | Prof. Dr. Jan-Peter Mund | Hochschule Eberswalde |
| 13 | 15:40 | How Future Citizens of Smart Cities Take Benefit from Geofencing Technology | Sandro Rodriguez Garzon | Technische Universität Berlin |
| 14 | 16:00 | Bridge Monitoring in the Internet of Things | Philipp Engel | Hochschule Neubrandenburg |
| 15 | 16:20 | Drawing your Path: Making Realtime GPS Art for a Creative Exploration in Long Distance Sports | Frederik Wiehr | DFKI |
| 16 | 16:40 | Smart Multispectral Monitoring System for the Real-Time Estimation of Water Stress in the Crop and / | Lukasz Rojek | Beuth Hochschule für Technik Berlin |
| | 17:00 | Closing with Beer & Wine | | |
| 17 | 17:15 | GeoIT.org Assembly | GeoIT.org | Members |
| | 18:00 | Dinner at Schleusenkrug | | |
